MEMORANDUM FOR: [REDACTED]

OP

Attached you will find a copy of a memorandum I have written but have not yet sent forward. Mr. [REDACTED] suggested that I might be putting OGC to answering a question or two that has already been answered in some other case. He believed that you would know if OGC has ruled on these questions before, or whether these questions are otherwise already answered.

Could you give me a call when you have read this on x 7327 ? Thanks.
